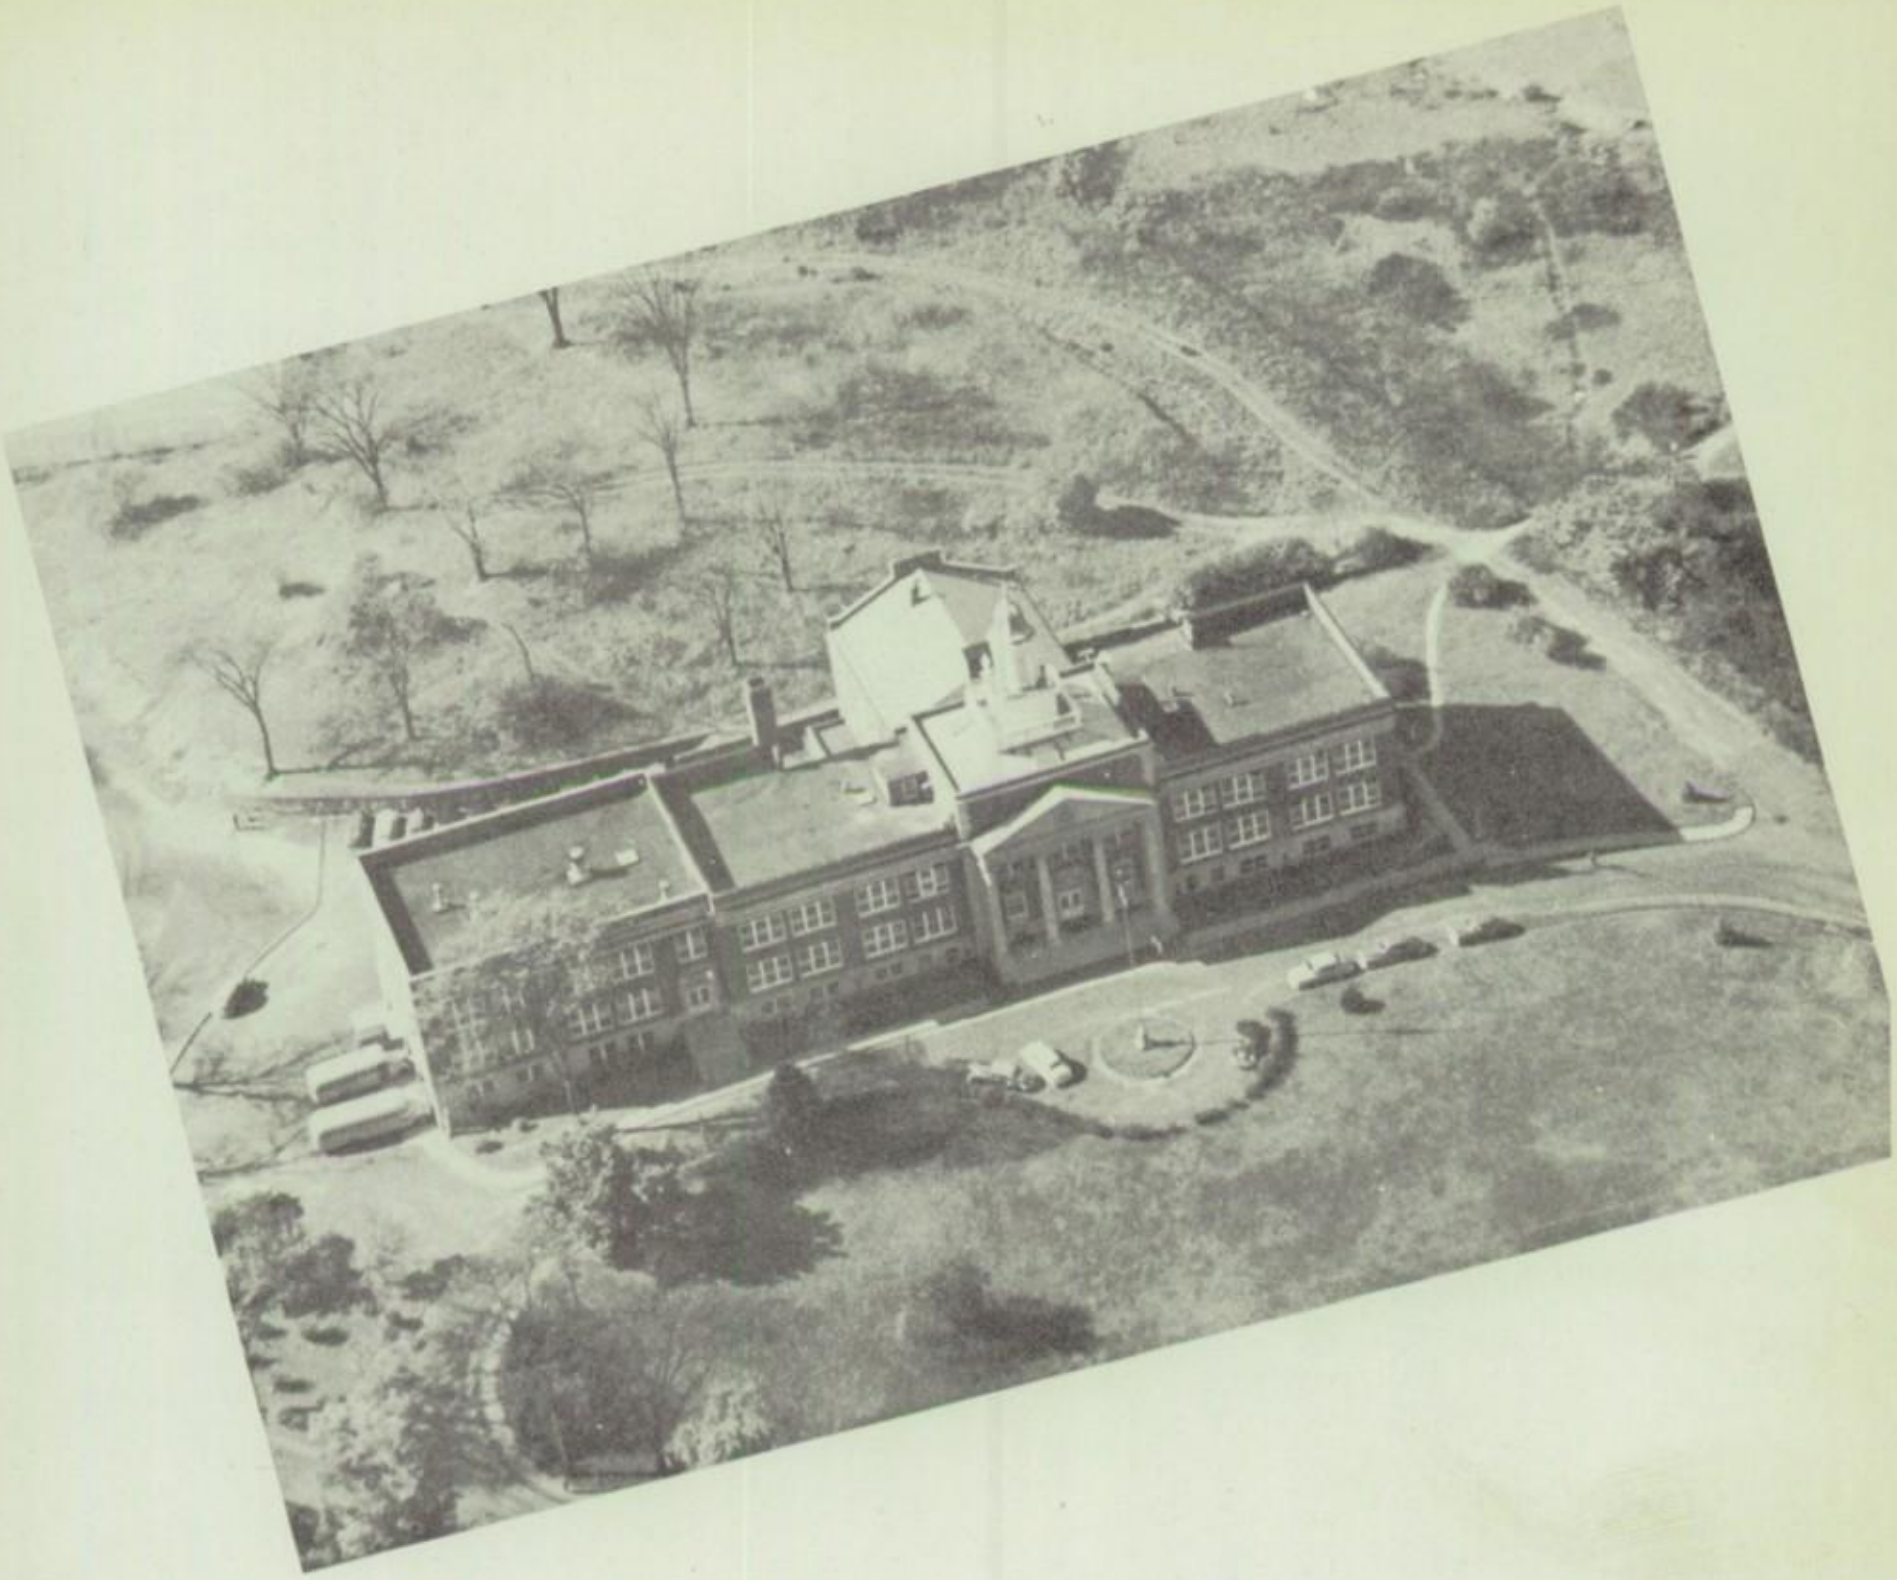
The '52

HALF MOON



The 1952 HALF MOON was published by the students of Hendrick Hudson High School under the direction of the Press Club Seniors.

THE 1951-'52 SCHOOL YEAR BEGINS

DEDICATION

So often in the course of our daily lives we fail to recognize and give credit to those who have given us much help, comfort and leadership. With this in mind the Class of 1952 wishes to dedicate this issue of the HALF MOON to the administrators and faculty of Hendrick Hudson High School. We justly feel that all the virtues of the great educator and leader are symbolized in Mr. Frank G. Lindsey, an inspiration to teachers and students alike.
